WORK EXPERIENCE

Graduate Research Assistant

Aug 2025 – May 2026

Office of Social Science Research (OSSR), University of Illinois Chicago

- Led 8 cultural and educational programs engaging 160+ participants through a federally funded initiative.
- Standardized participant surveys across all programs to support program evaluation and federal reporting.
- Established a monthly newsletter reaching 350+ subscribers, expanding engagement beyond the university community.
- Expanded university and community partnerships, increasing participation and supporting 2 joint cultural events.

Research Assistant

Jan 2025 – Aug 2025

College of Engineering, University of Illinois Chicago

- Managed longitudinal biometric and survey data collection for a NIOSH-funded study, maintaining IRB compliance and data quality.
- Recruited 15 Korean American home care workers and maintained 90%+ retention through bilingual participant support.

Researcher & Project Manager

Jun 2021 – Dec 2022

Korea National University of Arts

- Conducted interviews with 6 theatre organizations to assess shared storage solutions for environmental sustainability.
- Produced a 141-page policy report that informed infrastructure planning by the Seoul Metropolitan Government.
- Promoted to Project Manager to oversee a \$1M city-funded sustainability initiative.
- Coordinated stakeholders across government, academia, and the arts sector to support project implementation.

SELECTED PROJECT

Financial Sustainability in U.S. Nonprofit Performing Arts Organization

Independent Study, University of Illinois Chicago

- Analyzed 2019–2024 panel data from 2,470 nonprofit arts organizations using two-way fixed effects regression in R.
- Presented research at the Association of Arts Administration Educators (AAAE) 47th Annual Conference (2026).

Revenue Concentration and Labor Investment in Nonprofit Performing Arts Organizations

Academic Paper, University of Illinois Chicago

- Analyzed the relationship between revenue concentration and labor investment using fixed-effects panel regression.
- Selected to present research at the Social Theory, Politics, and the Arts 50th Conference (2026).

SKILLS
